Mission

The mission of all Transform Student ministries ventures is the same of that as Precept Ministries International as a whole, to establish people in God's Word.

Vision

Verse - Timothy 2:2 The things which you have heard from me in the presence of many witnesses, entrust these to faithful men who will be able to teach others also.

The intern program exists to train young adults to use, teach, and train the principles of inductive Bible study so that people may know God through His Word. We believe this happens most effectively in mentoring relationships and in the context of small-group Bible studies.
